Formerly the Office of Veterans Services

MISSION

Our mission is to assist New Hampshire veterans and/or their dependents in securing their federal or state veterans benefits under the law. Generally, this means helping veterans or their family members in filing claims for compensation or pension benefits with the U.S. Department of Veterans Affairs (VA). We also provide information and assistance in a wide variety of ways.

Role of the Veterans Service Officer

As employees of the state of New Hampshire, VSO's represent the veteran and his/her dependents throughout the VA claim process. This service is provided free of charge to the veteran or dependents. VSO's provide information, direction, and assistance concerning a variety of topics, including: available state benefits, disability compensation and pension, survivors benefits, burial benefits, education benefits, the NH State Veterans Cemetery and the NH Veterans Home.

STATE BENEFITS

Veterans honorably discharged from the U.S. Armed Forces may be issued a special license plate. The plate will only be issued upon application and submission of proof of honorable discharge. (See RSA 261:87-b).

Many wartime veterans, and their unremarried surviving spouses, are eligible for a credit of \$50 to \$750 on their residential property taxes. The veteran must have 90 days active duty service during a period of war, be a resident of New Hampshire for a minimum of one year, and have an 'honorable' discharge. Contact the city/town assessors office for an application. War time dates and specific qualifiers are listed in RSA 72:28.

All Veteran

The veteran must have 90 days of active duty service and be a resident of New Hampshire for a minimum of one year, and have an honorable discharge. Each city must vote and approve this enabling legislation. (See RSA 72:28-b)

There is a \$700 tax credit on real estate occupied as principle place of abode by a permanently and totally disabled service-connected Veteran, double amputee or paraplegic, or unremarried surviving spouse. Cities and towns may vote to adopt a higher tax credit of up to \$4000. (See RSA 72:35).
