

## HOLIDAY CARDS 4 OUR MILITARY CHALLENGE CARD-SIGNING GUIDELINES

[www.militaryholidaycardchallenge.com](http://www.militaryholidaycardchallenge.com)

You can use a holiday card, a blank notecard, a thank you card, or a piece of paper folded in half to create a card of care and holiday cheer! Your cards can be serious or funny or both! You can draw pictures, decorate, write poems and riddles! Please keep in mind the recipient of your cards, so we ask that you do not include political nor sensitive statements as our goal is to bring our Warriors, Veterans, and their families joy and holiday cheer. No need to use an envelope but if you do, please DO NOT SEAL IT! You can decorate your envelopes too if you want! The more you enjoy making your card, the more our Warriors will smile! Please take photos of your card-signing fun and send it to [holidaycardsnh@gmail.com](mailto:holidaycardsnh@gmail.com) or post it on Facebook/Instagram: Holiday Card Challenge
